MOHAMMED NOUH
Sr. Architect | Project Manager

CURRICULUM VITAE

PROFILE

Senior Architectural Engineer and Project Manager with **more than thirteen years** across Saudi Arabia's landmark developments, from the **Third Saudi Expansion of the Holy Mosque** to national infrastructure, federations and university consulting. I lead technical offices and close out delivery files to Saudi Building Code, and in parallel command **Hajj season operations** across Makkah services, housing, transport, dispatch and reception.

13+ years in the field

10+ Hajj seasons

10 professional roles

20+ courses & certificates

WORK EXPERIENCE

Senior Architectural Engineer
2025 – Present

Saudi Binladin Group (SBG)

- Lead final delivery of the Holy Mosque expansion; resolve architectural snags and SBRs through to final acceptance.
- Manage and approve as-built architectural documentation, and engineer solutions for complex site challenges.
- Enforce full Saudi Building Code compliance and accelerate close-out of outstanding RFIs with subcontractors.

Sales Manager
Jan 2024 – Present

Egy Maroc Arabian Contracting Co. Contracting

- Lead sales and business development for a general contracting portfolio: infrastructure, concrete, marine and civil packages.
- Al Salam Palace (Jeddah), Red Sea International Airport, and Kidana Towers in Mina with Al-Rajhi, operational for Hajj 2025.
- Prepare technical and commercial offers, price bills of quantities, and negotiate terms through award and handover.

Operations Manager
2026

Al-Rajhi Commercial Supportive Services Hajj season

- Own the full Makkah services scope: Nusuk cards, passports, housing and transport.
- Direct dispatch, crowd flow, cordoning and reception, and run the control room on live performance indicators.
- Interface with the Ministry of Hajj & Umrah and operating partners across the season.

Architect & PMO Engineer
2024 – 2025

Modern Building Leaders Co. (MBL)

- Produce detailed drawings to code, model in Revit, and run BIM clash detection and walkthroughs.
- Coordinate multidisciplinary teams, control schedules and budgets, and report progress to senior management.

Project Manager
2021 – 2024

Saudi Arabian Hot Air Ballooning Federation Founding team

- Member of the founding team, reporting directly to the CEO.
- Built the operating framework and strategic roadmap; tracked budgets, risks and performance metrics.

WORK EXPERIENCE · CONTINUED

Administrative Officer
2025

Al-Rajhi Commercial Supportive Services · Hajj season

- Administrative and financial backing for the hospitality centre, acting for the Centre Head when required.
- Tracked disbursements and custody accounts, organised staffing and shifts, and reported daily to leadership.

Service Unit Supervisor, then Customer Care Supervisor
2023 – 2024

Ikram Al-Dhaif Tourism Co. (Ashraqat group) · 2 Hajj seasons

- Supervised the service unit at Centre 135, then led customer care at Arafat (Ikram 25).
- Completed both seasons with no performance observations recorded.

Dispatch & Jamarat Member, then Customer Service Centre
2016 – 2022

Mutawwifi Hujjaj Al-Duwal Al-Arabiyya (Ashraqat) · 5 Hajj seasons

- Executed dispatch plans and Jamarat movement for the Algerian and Moroccan missions, then Service Centre 50.
- Rated Excellent by the establishment and by the Ministry of Hajj & Umrah.

Supervisor · Corporate Communication, Initiatives & Partnerships
Jun – Dec 2021

Coordination Council for Domestic Pilgrims' Service Establishments · Promoted

- Joined as Assistant to the Secretary-General for the season, then promoted to Supervisor of Corporate Communication.
- Managed the council's file with the Ministry of Hajj & Umrah, Kidana, Public Security and related bodies.

Project Manager
2019 – 2021

Umm Al-Qura University · Institute of Consulting Research & Studies

- Managed infrastructure projects for feeding and drainage networks, holding them to specification.
- Led technical teams, oversaw procurement and financial planning, and reported to the Vice Dean.
